NSC REVIEWED 8/2/07 NO OBJECTION TO DECLASSIFICATION AND RELEASE

16 September 1982

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM : [redacted]
Deputy Chief
Technology Transfer Assessment Center

SUBJECT : Fourth Meeting of SIG on Transfer of
Strategic Technology [redacted]

1. Attached at Tab A is the agenda for the fourth meeting of the SIG on the Transfer of Strategic Technology to be held at 3:00 on Friday, 17 September, in Room 7219 of the State Department. [redacted] will accompany you to the meeting. [redacted]

2. The following comments on the agenda items provide some brief background, and where appropriate, Intelligence Community involvement.

3. Progress Reports

a. Committee on Special Projects

- Visa Denials Question - FBI, NSA, CIA and Justice volunteered to assist us in a special study that would for the first time use applicable provisions of the Immigration and Nationality Act as a means of technology transfer control.
- Raising the Priority of Technology Transfer in US Embassies - State is canvassing key embassies abroad to make a case for raising the stature of the Economic Defense Officers who are assigned export control tasks and other technology transfer related duties. State is also considering a monthly "newsletter" cable to embassies on technology transfer activities and would look to TTIC for an intelligence input for this endeavor. DDO activities in this area are being addressed a separate memorandum.
- Training USG Personnel in technology transfer - State has asked TTIC to canvass USG agencies that send personnel overseas and assure that their domestic training programs contain an appropriate block devoted to the technology transfer problem. TTAC is assisting FSI at State in updating some of their course material

SECRET

for this purpose. In CIA, we provide speakers to the appropriate DO operations and other general Agency courses, such as the Mid-Career Course, etc. in the technology transfer problem.

-- Extradition treaty review - State and Justice are reviewing our extradition treaties with a view to including export control violations as an extraditable offense.

- 25X1 b. Technology Transfer Intelligence Committee - [] 25X1
[] as Chairman of TTIC, can report on the status of [] technology transfer studies that are being prepared under TTIC auspices. Contributions are presently being received for [] with a first draft due to TTIC by 30 September. The [] paper is at an early stage of development with inter-agency members currently in the nomination process. 25X1 25X1

2. New Agenda Items

a. COCOM List Review Preparations

The Intelligence Community will actively support the 1983 COCOM List Review that will be held in Paris beginning on 5 October 1982. TTAC is assisting State in preparing the briefing books to be used by the Washington team that will lead bilateral discussions with COCOM members in advance of the opening of the talks. []

b. Raising the Priority of Technology Transfer Issues
in Allied Intelligence Services

Comments on this topic are being addressed in a
separate memorandum to you from the DO.

4. Personal View of the Soviet Technology Acquisition

Effort - This will be a presentation by [redacted]
[redacted] at the end of the SIG meeting. Apparently State has
not informed all SIG attendees of this presentation, and they are
not sure who this [redacted] is on the
agenda! Attached at Tab B is an outline of the questions that
State would like [redacted]
